Zain Ul Abad

Backend Developer

I am an IT student currently pursuing my Bachelor's degree in Information Technology at Bahria University, Karachi. I have been doing programming and working with various tech stacks like ASP.NET, Entity Framework Core, and React.js and express.js for more than two years. I have also worked on networking topics like SDN, basic network architecture, and router and switch configuration. I am currently looking for internships and freelance work to further enhance my skills and gain practical experience in the field of IT.
